

## REGULAR MEETING OF THE LAKE CITY COUNCIL

Minutes

July 14, 2014

---

**Participants: Mayor and Council Members. City Manager, Director, Community Services, City Attorney, Police Captain**

**6:30 PM** A public hearing took place but with no one attending other than above named participants. The hearing was to hear questions or objections to amending the city ordinance as it pertains to establishing regulations for General Business and Manufacturing Districts. Motion made by Councilman Ginn to approve the change, seconded by Councilwoman Kelly and the measure passed unanimously.

### **7:00 PM Council Meeting**

Call to Order

Mayor

Invocation

Pledge of Allegiance

Approval of Minutes – Motion made by Councilman Ginn to approve the minutes, seconded by Councilman Williams and the measure passed unanimously.

#### Discussion Items:

The Police Captain indicated the need to purchase an additional car because his vehicle was in need of immediate repair. This matter was previously authorized during the workshop meeting of May 22, 2014 whereby the proceeds of insurance and the sale of old vehicles would be sufficient to cover the cost of this additional vehicle. Councilman Sowell made the motion to reaffirm the purchase of the car, seconded by Councilman Williams and the matter passed unanimously.

The City Manager described the tour for the following day wherein representatives from the DCA and UGA along with the Tri City Working Group would tour all three cities to determine which properties were meeting the definition of “blight” and upon which the final draft by the UGA will be completed for submission to the three cities for formal adoption as a precedent to the Tri City Urban Redevelopment Plan being presented to the DCA for formal approval.

The Police Captain read the Police Report for the preceding month, a copy of which is attached for easy review. There being no further business, a motion to adjourn was made by Councilman Ginn, seconded by Councilman Williams and the matter passed unanimously.
