

City of Lake City Council

Work Session Minutes

February 28th, 2018

Attendees: Mayor Pro-Tem Hoover, Councilmember McDuffie, Police Chief Colwell, Steve Fincher, Eddie Robinson, Eric Beckman, Tonya Tripp, Chris Leighty

9:30 AM:

Mayor Pro-Tem Hoover called the meeting to order at 9:30 AM.

1. The City Manager gave an update pertaining to the generator being installed at city hall as well as the Police Department ordering three patrol SUV's from Alan Vigil Ford. Eddie Robinson briefed the council about purchasing a new gator vehicle for public works. He advised the vehicle would be able to drive through the nature preserve to perform maintenance and in the case of an emergency in the park. He also briefed the council about the necessity of removing several trees in the Lake City Park.
2. The City Manager presented to the council Resolution 2014-8 that was voted on by the council in 2014 and approved by a majority vote but was not signed by the Mayor. This Resolution defined the roles and responsibilities of the Mayor, Council and City Manager. The City Attorney advised we should identify the responsibilities in an ordinance.
3. FAA update was presented by the City Manager. This was pertaining to the Fuel Tax issue.
4. The City Manager advised the council of the possible election dates.

The meeting ended at 10:15AM.
